## Lethal Enforcer 3

**Lethal Enforcer 3**, also known as *Seigi No Hero*, is the third game in the Lethal Enforcer series, updated to give a 21st century edge to the classic twin shooting game.

**Lethal Enforcer 3** features a foot base vibrator that allows players to sense tremors giving the game a more realistic feel. As you use your shield to block incoming fire, the base vibrates and you can feel the sensation through your body. The gun in this edition of Lethal Enforcer has also been enhanced and has new features to enhance the realism of the game including a player's option to reload and protect themselves.
